

FIG. 19

NEW

Technical drawing of a mechanical assembly, labeled 1000, shown in a cross-sectional view. The assembly includes a main housing 150, a central shaft 160, and a rotating component 16. A motor or actuator 1400 is connected to the shaft via a drive mechanism. A lever arm 111 is pivoted to the housing at point 21 and is connected to the shaft. A spring 120 is shown in cross-section, and a component 130 is visible on the right side. The drawing uses standard mechanical notation for cross-sections and assembly details.
